Purcell Mountain Lodge One of the finest remote lodges in North America. Three story timber frame lodge with large windows and stunning views in all directions. Explore the alpine peaks, ridges, bowls and meadows that characterize the spectacular wilderness of the Purcell Mountains.

Private Room Includes one queen bed, some guest rooms have an additional single bunk. Ideal for couples or adventurous friends who want to share.

Summer Activities Mountain ridge hiking, meadow walking, nature observation and wilderness photography. For beginners to advanced hikers, we have the terrain to suit your style.

Winter Activities Cross Country skiing, alpine touring, tele mark skiing, show shoeing, snowboarding and for the young at heart tobogganing. Terrain suitable for every level of expertise.

Professional Guiding Services Instruction and guidance in all outdoor pursuits is complementary. Guides will take you safely where you want to explore.

Operating since 1990, the Lodge is located at 2200 meters (7200') amidst the alpine slopes of Bald Mountain. We are luxury lodge located in the northern Purcell Mountains near Glacier National Park. Our dedicated team of staff take great pride in offering guests a truly unique and unforgettable mountain getaway. Adventure awaits you right from our doorstep. Enjoy a variety of outdoor pursuits in summer, fall and winter. Summer hiking season runs from June to September. In the winter, guests enjoy ski touring, split-boarding and snowshoeing from December to April. Our professional ACMG guiding team will take you out each day to explore our massive terrain. In summer and fall, adventure to the unknown on our well-maintained hiking trails. Explore North America's largest alpine meadows and take in breathtaking scenery. In the winter, the fresh powder is nonstop and allows for soft pillow landings in a variety of terrain suitable for all ski ability levels. Accessible by a fifteen-minute scenic helicopter ride from Golden, British Columbia. For more information and photos on this unique experience go to www.purcellmountainlodge.com
