## JOB POSTING – PRODUCTION MANAGER

Alberta Theatre Projects is preparing for our next season of producing live, professional, contemporary theatre in Calgary.

We create world-class contemporary theatre that blurs the line between the audience and the artist, by telling the most provocative and engaging stories of our time. By embracing the intimacy and unique audience configuration opportunities of the Martha Cohen Theatre, we offer an exciting new experience for our audience with each production.

This is a very exciting time in the history of Alberta Theatre Projects as we look to the future of how our company can be a leader in new play development and producing the finest contemporary theatre that engages our community by reflecting their stories on stage. The Production Manager is key to this as the lead over all crew departments, stage management, and our growing rentals business.

Alberta Theatre Projects is in a high growth phase and we are excited to keep the momentum going as one of our country's leaders in professional theatre and we can't wait for you to join us on this journey. This role is targeted to start in early July 2021.

### WHO YOU ARE

The Production Manager is a full-time, year-round, permanent role on our management team and is an integral link between the staff and the guest artists. You are responsible for ensuring that the vision of the artist is brought to life on stage and that the process of doing so is done in a welcoming, respectful, and efficient manner, by pulling together the talents of a wonderful group of artistic and technical professionals.

As Production Manager, you are depended on for creating a budget that effectively allows productions to come to full fruition on stage which aligns with the vision, mission, and values of the company. You'll also take a lead role on operations of our very lucrative and growing rentals business, working closely with your counterpart in Front of House to deliver on client and patron experience.

The Production Manager will run a full team of technical personnel and reports directly to the General Manager.

We can't wait to welcome an energetic and collaborative leader that can hit the ground running and rally the team around our key priorities.

### WHAT YOU ARE RESPONSIBLE FOR

As a leader at Alberta Theatre Projects, you'll be the main person in charge of everything under the production umbrella, which includes:

- Financial reporting and budgeting for all production elements, including season shows, overhead, rentals, and personnel
- Overseeing all production operations
- Direct supervision and coaching of the Technical Director, Stage Managers, and production-specific support staff (such as Production Coordinators); indirect supervision of crew and assistant stage management staff
- Acting as department head for Production
- Acting as knowledge expert for IATSE 212 agreement
- Rentals strategy and oversight
- Acting as a leader with Occupational Health & Safety protocols
- Stakeholder Relations as related to production
