CONVERSATIONS WITH ARTISTS

BRING ARTISTS RIGHT INTO YOUR CLASSROOM!

Capture your students' imaginations through an in-classroom conversation with an ATP Season Artist about the artistry and skills that go into making live theatre. This program is designed to give students and educators a unique behind the scenes insights into theatre knowledge and career building advice straight from professional theatre artists.

Visits are based on the availability of artists involved in our productions and are subject to change due to illness or show requirements. **These programs are just that, conversations. The artists will not lead or teach. the class.**
