# IN WONDERLAND BY ANNA CUMMER

In this ambitious and contemporary retelling of Lewis Carroll's classic novels, *Alice's Adventures in Wonderland* and *Through the Looking Glass*, three actors fantastically portray the story's iconic characters, transforming right before audience's eyes. Follow Alice through the rabbit hole, and be swept away through theatre magic, as the stage spectacularly metamorphosizes into a stunning visual realm. *In Wonderland* is a world premiere, commissioned and developed by Alberta Theatre Projects, which revisits these timeless stories in a newly imagined way. Be guided through a journey of self-discovery, exploring the resonating themes that Alice reflects upon: "Who am I?" and "Where do I really want to be?"

# ABOUT US

We create world-class contemporary theatre from our home in the Martha Cohen Theatre. We are a national leader in new play development. Programming is driven by the collision of diverging ideas, points of view, class, gender, or cultural perspectives and is selected from the finest Canadian and international plays and new works commissioned and developed in-house. Our productions radically explore our space, blurring the line between the audience and the artist through multiple seating configurations each season.
