

## We're having a party... to celebrate YOU!

Alberta Theatre Projects is thrilled to invite you to a very special Opening Night Event for our new production, *Alberta Kitchen Party*.

Our industry has been through A LOT in the past two years. Curtains are rising, the lights are coming back on, and we are all doing our part to revitalize the arts in our great province safely. And what better way to come together and celebrate as Alberta artists and art makers than with a production that showcases Alberta artists?

We are inviting our friends, colleagues, coworkers, supporters, advocates, and fellow arts enthusiasts to take a night to pause, connect, celebrate, and come together. To share our mutual stories of resilience, tenacity, dedication and incredible talent. Meet and connect with new and old friends, at the pre-show reception! At 7:30 pm, take your seats in the theatre and enjoy the Opening Night performance of *Alberta Kitchen Party*!

A spirited musical celebration, [Alberta Kitchen Party](#) features five incredible young artists, with their candid look at the unique journey each has taken to create a life on the stage. Experience an intimate evening with these multi-talented performers as they raise their voices, and share their hopes, fears, struggles, and victories. Come together, and witness this group of friends share their personal, yet familiar, stories about growing up in Alberta, finding their ways as humans and artists, and their emotional connections to the city and the province.

**We all have our own stories to tell – we invite you to share YOURS at ATP's "Artists Corner"!**

Alberta Theatre Projects invites artists, arts workers and arts advocates to share YOUR story with us on Opening Night, and elevate your voice in support of the arts! These stories will be shared across social and traditional media, to help shine a light on our community's work and

contributions as we energize conversations about the importance of the arts community in Alberta's economic recovery.

#### **Events Presenting Partner:**

Our friends over at Strategic Group generously came onboard to support this event because they believe, like we do, in the transformative power of the arts. That the arts can connect us, bring us joy, and bring us catharsis. That the arts can help us to empathize, to escape, and open our minds to life-changing ideas. Most important Strategic Group, led by Founder and CEO Riaz Mamdani, knows that being a champion of the arts and artists in our community is a responsibility we can all share. They know that the arts are integral to the cultural health of a city. It's like cultural spinach... that tastes like cinnamon buns.

Please join us in thanking Strategic Group—without whom this event wouldn't be possible!
