

Board Member Opportunity

We're looking for community leaders who want to contribute to the performing arts to join our Board of Directors. Board members will use their knowledge and experience to guide and support the mission and vision of Alberta Theatre Projects (ATP).

ABOUT ALBERTA THEATRE PROJECTS

Alberta Theatre Projects is preparing for our next few seasons of producing live, professional, contemporary theatre in Calgary. Our 2022-23 season is underway, and we are already planning for our 50th anniversary season in 2023-2024.

As we plan to innovate, reenergize and envision a bold, bright future for our company for the next 50 plus years, we are also laying a new foundation for growth. This is a very exciting time for Alberta Theatre Projects as we look to the future driven by our mission and vision.

VISION: We are provocative contemporary storytellers, reflecting our world through stirring theatrical experiences.

MISSION: We create world-class contemporary theatre and are a national leader in new play development. Programming is driven by the collision of diverging ideas, points of view, class, gender, or cultural perspectives and is selected from the finest Canadian and international plays and new works commissioned and developed in-house. Our productions radically explore our space, blurring the line between the audience and the artist through multiple seating configurations each season.
